Fischer Random Chess decides the winner of Wilkinson's Fischer Fantastique Fun Tourney! – *Stew Wilkinson*

On September 4, 2014 the PHCC held a fun event, celebrating Bobby Fischer's 1963 U.S. Championship"! **Alan Gregg** combined his knowledge of Bobby Fischer history and trivia with his prowess in speed chess to win the "coveted" trophy, despite the challenges of seven other PHCC members.

Allen Gregg and Bill Wingrove face off in the Fischer Random Chess sudden death blitz game.

The one night tournament honored Bobby Fischer and his amazing 11-0 record in the 1963 United States Chess Championship. Club members had to find the move that Bobby played in five positions from 1963 and then answer ten quiz questions about Bobby and the 1963 tournament. The positions and quiz challenged many PHCC members, but not **Bill Wingrove!** Dr. Bill aced the puzzles and missed only one quiz question. Certainly this annoyed the tournament

director. However, he was pleased to have contestants fall for "gambits" in the quiz, mistaking Larry Fine (Larry of Three Stooges), Hikaru Sulu (Navigator of the Star Trek's *Enterprise*), and Benito Mussolini (" Il Duce" Dictator of WWII's Fascist Italy) for chess players. Special mention goes to newcomer **Kevin Britton** and 2103 scholastic champion, **Nathan Allen**. They both arrived late and had limited time on the puzzles and the quiz. Kevin, nonetheless , solved three of the five puzzles, better than everyone save **Bill Wingrove** and **Matt Morabito!**

2014 Fischer Fun Chess Championship Trophy

After the intrepid warriors completed the written section, they each played two G/15 speed games starting from opening positions Bobby Fischer played in his 1963

masterpiece (KID, Caro-Kann, Spanish, King’s Gambit, Najdorf Sicilian). Each puzzle or quiz answer was worth two points. Each speed game win was worth five points with a draw or bye worth three points. The two highest scores would meet in one winner-take-all game in Fischer Random Chess.

Matt Morabito, Alan Gregg and Bill Wingrove were tied at 28 points each! The two finalists would be those who came closest to guessing the amount of Fischer’s prize money for winning the 1963 U.S. Championships which was \$2000. Alan conferred with Bob Barker and wrote down \$501. Matt’s guess of \$10,000 seemed logical. Bill “Kreskin” Wingrove chose \$2500 to join Alan in the finals!

The Fischer Random Chess position to start the G/15 finale seemed balanced, but one quirk could have favored White. White had a Bishop on h1 and Black’s Queen began the game at a8. Bill with White chose not to play an early fianchetto and Alan went on to win from a dominant position. Thanks to all who participated and congratulations to Alan Gregg, “Bobby Fischer 1963 US Championship” tournament winner!

Chess club meets Thursdays at recreation center

By Nicholas Grenke
Times Herald

Kings and queens — and knights and bishops — meet at 6:30 p.m. Thursdays at the Port Huron Chess Club.

The club, which has 10 to 15 members, has a place at the chessboard at the Palmer Park Recreation Center, 2829 Armour St., Port Huron, for anyone who wants to sit down and enjoy the game of kings. The club has been around for 45 years, and is hosted by the Port Huron Recreation Department.

"We've had a lot of great players come through here," club director Lon Rutkofske said. "We're the oldest active club in the Port Huron Recreation Department."

Rutkofske started the club in 1969 when he came to Port Huron as a teacher. In addition to instructions, tournaments and competition, he also publishes a newsletter and updates a website.

The club will have a chess clinic at 6:30 p.m. Thursday at the recreation center. The clinic will start with the basic rules and will continue until 10 p.m.

The club will have tournaments at 6:30 p.m. Sept. 11 and 18.

"People come down to a

chess club for the social interaction as well as for playing the game," Rutkofske said.

The club is free; individual lessons are \$7.50; people also can pay membership fees of \$20 for adults and \$10 for those younger than 19 to play in club tournaments. The fees help pay for prizes, plaques and club events not provided by the Port Huron Recreation Department.

"If you just want to come down for causal play, there's no charge — we'll help you out as the game goes along," Rutkofske said.

Rutkofske said at the club's peak in the early 1970s, when more than 100 people attended. He said online games have attracted some players to stay

home, and people now seem to have shorter attention spans.

He said Port Huron has a very vibrant chess community and the club's annual championship draws players from across St. Clair County and eastern Michigan.

"Some of the best players in the state come here," Rutkofske said. "There's some great young players, too, like Nathan, who could be very good."

Nathan Hartwig, 17, of Clinton Township, won the Port Huron Chess Club Junior Championship.

Stew Wilkinson, of Port Huron, has been coming to the club since he was in high school in the early 1970s.

"My athletic career ended in my 30s," Wilkinson said. "Chess helps fuel the competitive spirit and there is a high level of sportsmanship."

Wilkinson said playing chess won't magically make a player smarter — but the game helps people learn to have a good work ethic because chess takes a lot of studying and forethought.

Rutkofske said the game helps people concentrate — an issue in today's society, as attention spans grow shorter.

"Chess is chess," Wilkinson said, moving a bishop while playing against Rutkofske. "It's a great game."

PHCC Rating Lists

The following list represents only current members of the Port Huron Chess Club. Current USCF ratings were used for members that had them, in order to establish the initial club rating list. The USCF rating format is used as the basis for calculating our club rating list. Members that had no USCF ratings are given a provisional rating based on their performances against regular club members who had USCF ratings. Club rated events will use these ratings for pairing purposes.
