Newsletter of the Port Huron Chess Club

Editor: Lon Rutkofske May 2019 Vol. 38 Number 5

The **Port Huron Chess Club** meets Thursdays, except holidays, from 6:30-10:00 PM, at Palmer Park Recreation Center, 2829 Armour Street, (NE corner of Garfield Street and Gratiot Ave...1 mile North of the Blue Water Bridge) Port Huron, Michigan. Everyone is welcome. All equipment provided. Email: PtHuronChessClub@aol.com or Website: <http://porthuronchessclub.volasilite.com>

The Canadians have it! Bruziewicz dismantles his competition and Jones masters his foes in the PHCC April Quads.

Andy Bruziewicz escaped unscathed in his first PHCC tournament since 1997 upending each of his worthy adversaries in the three round Quads held on April 18th. While less dramatic than Paul Revere's celebrated ride on the same date in 1775, the Sarnia alderman managed to polish (or should that be Polished??) off his challengers in nearly effortless fashion on his way to an undefeated showing in his first USCF Action event. His partner in crime (and seemingly personal *Uber* chauffer - aka: **Avery Jones**) followed the lead of his esteemed compatriot by thumping his opposition as well, both escaping with a bundle of rating points and some cash to boot!

Thursday, May 16th will reprise the May event, and hopefully provide us "also-rans" an opportunity for revenge and some desperately needed "face-saving opportunities! Check out the Events section for details!

Morabito and Gregg Plan Summer European Vacations

Matt Morabito is ecstatic about his long awaited “dream trip” to Italy this summer. As a part of the Wayne State University foreign language curriculum, Matt is taking advantage of the opportunity to spend the month of July in Italy. This once-in-a-lifetime adventure, imbedded in a small village in northern Italy, permits our newly retired colleague the opportunity for hands-on experiences in the rich Italian culture enabling him to test his language skills in real time situations. We certainly look forward to hearing the plethora of marvelous and entertaining stories that he will certainly bring back to the PHCC upon his return to Michigan.

Alan Gregg will be visiting his daughter in England in the next couple of weeks, planning the spend time catching up on family experiences while enjoying a three week visit to the United Kingdom this summer. Alan’s dad, a remarkable WWII veteran will be marking his 100th birthday as he will no doubt be regaling the Gregg clan with tales of valor and hardships that only a survivor of a world at war can provide!

Members’ Games

Please send me what you consider your best games, annotated or not, so that I might be able to showcase them. The following games represent contests that have been available at the time of this printing. Email them to me or give them to me personally, if you wish. Majority of analyses is done by Fritz 12, unless otherwise indicated. [This a reminder of the change in policy in the PHCC Challenge rules: # 14 - Games can be rated by the USCF, provided both players are members in good standing with the USCF and agree to have it rated by paying in advance to the TD (Lon Rutkofske, or other club official with a valid TD certification card.) of \$1.50@ to cover rating costs.] Updated Challenge rules will follow below:

Format and rules for PHCC Challenge System

- I. Purpose: to provide club members the opportunity to challenge higher rated players on a regular basis to improve and test their skills in over the board non-tournament competition.
- II. Regulations: (Effective 11-8-2018)
 - a. Challenges may be made by any club member on the PHCC rating list under the following circumstances:
 1. Can only be made only by a lower rated player.
 2. Can only be made during club hours and cannot be made after 8:00PM.
 3. Must be played on the same day as the challenge was made, so there can be no advanced challenges.
 4. Both players must be present.
 5. Only one challenge may be made per meeting.
 6. Challenger can only challenge a player that is rated less than 400 points above him on the rating list.
 7. All challenges must be accepted.
 8. No challenge may be made while a participant is involved in a tournament or challenge game.
 9. A clock must be used with the time control of G/60 with 5 second delay; must be recorded by both players and submitted to the rating director upon completion of the game. **(See Sample Score Sheet on page 2)**
 10. All challenge games must comply with current tournament rules of chess as established by the US Chess Federation.
 - b. No challenge game may be adjourned, but if an unusual circumstance arises, the club rating director may adjudicate.

12. No member may be challenged more than one consecutive time by the same challenger. This means that the lower rated player cannot challenge the same player two times in a row. He/she must play another match before this can take place, but this also means that the higher rated player may be challenged by the same rated player consecutively if he has not participated in a match in between challenges within a six week period. Abuse (ie: Constant challenges and re-challenges or other annoying or inconsiderate behavior) must be reported to the Director and he has the option of suspending the violator indefinitely from participation in the Challenge system. Disputes will be adjudicated by the ratings director, with the advice of other players as he so wishes.
13. Challenges can take place on the first Thursday of each month, or at any time there is no other tournament or event scheduled.
14. **Games can be rated by the USCF**, provided both players are members in good standing with the USCF and agree to have it rated by paying in advance to the TD (*Lon Rutkofske, or other club official with a valid TD certification card.*) of \$1.50@ to cover rating costs.
15. Results will be rated by the PHCC (*Using the USCF rating system.*) using current PHCC ratings posted at the club and will be adjusted as necessary by the club rating director. Changes will also be posted on the club website.

PHCC Rating Lists

The following list represents only current members of the Port Huron Chess Club. Current USCF ratings were used for members that had them, in order to establish the initial club rating list. The USCF rating format is used as the basis for calculating our club rating list. Members that had no USCF ratings are given a provisional rating based on their performances against regular club members who had USCF ratings. Club rated events will use these ratings for pairing purposes.
