PHCC Championships Begin January 14th

The first round of the 2010 PHCC championships is due to begin on Thursday, January 14th, 2010 with registration beginning at 6:30PM at Palmer Park Recreation Center. This year's event will feature a 4 round Swiss System tournament scheduled to commence at 7:00 PM (*Please review the attached rules sheet for more specific information.*). We hope to develop a regular schedule of activities for the coming year in hopes of attracting increased attendance and opportunity for all to enjoy both rated and non-rated competition. Once again, this year's championships will include the club Junior Championship, as the top scoring member under 19 will take home the title and awards that accompany it. Cost of the event will be \$5.00 for adults and \$2.00 for juniors. Trophies/plaques and cash prizes will be distributed based on entries. T.D **Lon Rutkofske** will post game scores and other relevant information via email as the tournament progresses. It would help Lon greatly if participants would pre-register via email to facilitate efforts in ensuring a tournament that will run smoothly.

December Mini-Swiss Canceled

Due to the lack of players, the Mini-Swiss scheduled for December 10th was canceled. The Club ratings that follow will be used for pairing purposes for the Club Championships.

Dues News

The Port Huron Chess Club will begin to collect dues for the coming year. While dues are not required for anyone interested in playing at the club, they are required for those competing in tournament play. Annual Dues are \$2.00 for adults, and \$1.00 for those under 19. Dues funds are used to offset miscellaneous expenses not funded by the Recreation Department.

Port Huron Chess Club Marks 41st Year

January 2010 commemorates the 41st year of operation for the Port Huron Chess Club. Founded in January of 1969, Washington Junior High School's multipurpose room on the corner 10th and White Streets in Port Huron served as its initial venue. Founding members were **Lon Rutkofske**, a first year teacher at Washington that year,

Robert Duncan, a veteran industrial arts teacher at Crull Junior High School, **Norman McLeod**, a drafting specialist working at Mueller Brass Company and **John Haake**, an irascible local retiree that enjoyed blowing cigar smoke (*Most chess clubs permitted smoking back then*) in your face as you played him and scaring you to death when behind the wheel. Lon took the initiative to seek city sponsorship by meeting with **Joseph Marshall**, City Recreation Director for Port Huron early that year. Joe and his successors, **James Downey**, and **Betty Dunn** have been staunch supporters of our efforts financially by providing funds to purchase sets, clocks, boards, trophies, and supplies ,as well as, securing the a host of free meeting sites throughout the community over the years. In addition to the Washington School multipurpose room, the PHCC has also enjoyed comfort and accommodation at SC4, Peru Village on 7th Street, the American Legion- Charles Hammond Post on 6th Street, the Adult Activities Center on 7th Street, and finally, at the newly constructed Palmer Park Recreation Center. The winds of change have shifted over the years as the PHCC enjoyed membership rolls as meager as 4, and as expansive as 125, all the while, through thick and thin, adversity and abundance, a hearty core stood fast to keep the dream alive, the pieces banging and the clocks ticking.

Veterans of the PHCC hope that the new year will bless us once again with abundance in the form of increased participation, and continued support of the Port Huron Recreation Department that will see **Betty Dunn** retiring this year. Here is hoping that her successor, will look upon our efforts as benevolently as have all her predecessors.

PHCC Rating List

The following list represents a realignment and update after the November Quad. It identifies only current members of the Port Huron Chess Club. Current USCF ratings were used for members that had them, to construct the initial list. Members that had no USCF ratings were given a provisional rating based on their performances against regular club members who had USCF ratings. From this point forward, club rated events will use these ratings for pairing purposes.

Members' Games

Please send me what you consider your best games, annotated or not, so that I might be able to showcase them. The following games represent contests that have been available at the time of this printing. Email them to me or give them to me personally, if you wish.

This month's games will feature contests from previous championships and a few offhand games by former and present members. While perusing the archives of **Chess Chatter**, I happened upon a cartoon that I drew for the January 1980 issue of **Chess Chatter**. Its message is as true today, as it was then, and I just had to share it with you all.

Taken from **Chess Chatter** Vol. 7. No. 1 Issue January 1980

This first game is taken from the same issue of **Chess Chatter** and features a "Member's Showcase" game annotated by Jerry Lockhart. I met Jerry's son, Cliff, last Saturday in St. Clair and he tells me that his dad is still alive and kicking (mostly his son's booty in chess) in Alabama. Here's to Jerry. (All comments made by Jerry Lockhart, formerly of St. Clair).
